

Dimitri Jmukhadze - Junior Frontend Developer

Contact

- **Email:** jmukhadze.dimitri@gmail.com
 - **GitHub:** github.com/iScreAmn
 - **LinkedIn:** [linkedin.com/in/dimitri-jmukhadze-2048b733a](https://www.linkedin.com/in/dimitri-jmukhadze-2048b733a)
 - **Location:** Tbilisi, Georgia
-

Technical Skills

- **Languages:** JavaScript, TypeScript, CSS, HTML
 - **Frameworks & Libraries:** React.js, Vue.js, Svelte
 - **Build Tools:** Vite, Webpack
 - **Databases:** PostgreSQL
 - **Other Tools & Platforms:** Docker, Zustand, Node.js
 - **Special Focus:** AI chatbot and agent integration, team collaboration
-

Education

- **Information Technologies Institute** – Web Development Program
 - **Yandex Practicum Web Academy** – Frontend Development Course
-

Additional Activities

- Active participant in online development bootcamps and workshops.
 - Self-educating in AI technologies and their practical use in modern web services.
 - Currently experimenting with integration of LLM-based ai agents into web platforms.
-

Languages

Georgian, English, Russian, Ukrainian

Projects

- **AskChef (Personal Project):**

Designed and developed an AI-assisted recipe platform. Integrated a conversational AI chatbot and autonomous agents to help users navigate and select cooking options.

- **Collaborative Frontend Contribution:**

Supporting another developer's web project by implementing responsive UI components and optimizing user experience through modern frontend tools and frameworks.

- **Bootcamp Web Apps:**

Built interactive web applications (dashboards, task managers, landing pages) as part of practical exercises from online bootcamps and workshops.
